

## **Stone Ridge Basketball Hoop Policy**

1. No basketball backboard or basket may be attached to a Residence. Ground-mounted basketball poles must be located at least thirty (30) feet from the road adjacent to the Unit and at least five (5) feet from the side boundary line of the Unit.
2. No fluorescent or bright colors are permitted for either the pole or backboard. The pole shall be painted black and the backboard shall be clear or smoke.
3. Portable basketball poles may be located within a Unit provided they satisfy the location and other requirements applicable to ground-mounted poles.
